

NCF Delhi Sports Day 2020

NCFD concluded with its much anticipated NCFD SPORTS DAY on the 14th May, which was held in Saket Sports Complex.

Team Zion and Team Sinai assembled their players and supporters in a friendly, but fierce competition against each other.

The Sports meet was declared open by Pastor. No sooner had he done that, the whistle blew and the Basketball Boys' match between the two commenced. After witnessing a thrilling round of lay ups, fade-away shots and dime passes, the match came to an end. Team Zion emerged victorious.

An exciting spectacle lay ahead, Basketball Girls' soon began. Supporters of both teams were left in awe after witnessing skills displayed by the players which were at par with WNBA professionals. Team Sinai gave a tough fight but lost to the agile Team Zion.

Soon after the Basketball matches concluded, we were blessed with a light drizzle from the clouds above. It was the perfect 'bon appetite' moment to lunch over a plate of scrumptious Chole Bhature accompanied with the unmissable fried green chilli. Witnesses say everyone scavenged their plates to their last corners.

It was now the time for an event awaited by many, especially the ones who had said goodbyes to their twenties. The green pitch was filled with determined players of Team Zion and Team Sinai. The goalies gave their thumbs up. All the spectators were enthralled with the athletic runs, crazy dribbles, sharp passes and finesse shots. Both teams made amazing goals at both ends. The game was so competitive that even the rains could not stop them from playing. After a nail-biting match, Team Zion triumphed over Team Sinai. A huge applause was given to both teams for their wondrous efforts.

Everyone now gathered in for the most awaited event of the day; the Tug of War. Everything was going to be tested. Strength of the muscle, mind and spirit had to tug for a victory. With that, the ladies of Team Zion gathered their prowess and overcame the mighty ladies of Team Sinai. Team Sinai now was getting bitter. They had to make a plan for their Men's Team. They huddled and their plan was ready for an execution. The war began and onlookers feared the rope would break. Both teams weren't willing to even let go an inch! However, with careful tact and a unison heave, Team Sinai pulled and pulled... to a triumphant victory.

It was after a long hiatus that NCF had organised such a Sports Day. We praise God for such an eventful day. Sports has reminded us of the race that lies ahead of our own lives. Indeed, we must run in such a way as to win the prize. At the end, everyone went home happy and knackered. Cheers to the amazing fellowship because of the good Lord's doing.
